

Categorization of ETAGs in the product areas according to Annex IV Regulation (EU) No 305/2011

ETAG	Titles	Product area
001	Anchors	33
002	Structural Sealant Glazing Kits	9
003	Internal Partition Kits	21
004	External Thermal Composite Systems with rendering	4
005	Liquid Applied Roof Waterproofing Kits	3
006	Systems of Mechanically fastened Flexible Roof waterproofing Membranes	3
007	Timber Building Kits	34
008	Prefabricated stair Kits	34
009	Non-loadbearing Permanent Shuttering Systems Based on Hollow Blocks or Panels of Insulating Materials and sometimes, Concrete	34
010	Self-Supporting translucent Roof Kits	22
011	Light Composite Wood-based Beams and columns	13
013	Post-tensioning Systems for the Pre-stressing of Structures	16
014	Plastic Anchors for ETICS	33
015	Three Dimensional Nailing plates	13
016	Composite Light weight Panels Self-supporting Composite Light Weight Panels	21
017	Vetures Insulation Systems	4
018	Fire Protective products	35
019	Pre-fabricated wood-based loadbearing stressed Skin Panels	14
020	Plastic Anchors	33
021	Cold Storage Rooms & Kits	34
022	Watertight Coverings For Bathroom Floors And Walls	3
023	Prefabricated Building Units	34
024	Concrete Frame Buildings	34
025	Metal frame Buildings	34
026	Fire Stopping and Fire Sealing Products	35
027	Falling Rock Protection Kits	34
028	Fire retardant products	35
029	for use in masonry	33
030	Dowels for structural Joints	5
031	Inverted Roof Kits	4
032	Expansion Joints for Road Bridges	12
033	Liquid applied Bridgedeck Waterproof Kits	3
034	Kits for external Wall Claddings	9
035	Ultra thin Layer Asphalt Concrete	23
