

Updated January 2018

ETA Product Area Codes	EOTA PAC
01.01 - Civil Engineering/Drain systems	01.01
01.02 - Civil Engineering/Soil reinforcement	01.02
01.03 - Civil Engineering/Foundation	01.03
01.04 - Civil Engineering/Seismic protection	01.04
01.05 - Civil Engineering/Pavements	01.05
01.06 - Civil Engineering/Motorway and road equipment	01.06
01.07 - Civil Engineering/Bridges	01.07
01.08 - Civil Engineering/Road construction	01.08
01.09 - Civil Engineering/Tanks	01.09
01.10 - Civil Engineering/Special piping systems	01.10
01.11 - Civil Engineering/Sea wall protection	01.11
02.01 - Prefab & Building Systems/Mobile homes	02.01
02.02 - Prefab & Building Systems/Prefabricated industrial and commercial buildings (Portakabin)	02.02
02.03 - Prefab & Building Systems/Building systems, total	02.03
02.04 - Prefab & Building Systems/Building systems, partial	02.04
02.05 - Prefab & Building Systems/Prefabricated refrigerated buildings	02.05
03.01 - Load bearing components/Concrete	03.01
03.02 - Load bearing components/Steel	03.02
03.03 - Load bearing components/Composite	03.03
03.04 - Load bearing components/Wood-based	03.04
03.05 - Load bearing components/Masonry	03.05
04.01 - Building envelope/Roofs	04.01
04.02 - Building envelope/Roofing	04.02
04.03 - Building envelope/Building components in contact with ground	04.03
04.04 - Building envelope/Façades	04.04
04.05 - Building Envelope/Doors and Windows	04.05
05.01 - Supplementary internal building components/Ceilings	05.01
05.02 - Supplementary internal building components/Floor	05.02
05.03 - Supplementary internal building components/Floor covering systems	05.03
05.04 - Supplementary internal building components/Wall covering systems	05.04
05.05 - Supplementary internal building components/Partitions	05.05
05.06 - Supplementary internal building components/Stairs	05.06
06.01 - Fixation & Sealing/Concrete	06.01
06.02 - Fixation & Sealing/Steel	06.02
06.03 - Fixation & Sealing/Timber	06.03
06.04 - Fixation & Sealing/Masonry	06.04
06.05 - Fixation & Sealing/Sealing	06.05
06.06 - Fixation & Sealing/Adhesives	06.06
06.07 - Fixation & Sealing/Accessories for fixations	06.07

07.01 - Water Supply & Sewage/Water supply systems	07.01
07.02 - Water Supply & Sewage/Water supply components	07.02
07.03 - Water Supply & Sewage/Drainage systems	07.03
07.04 - Water Supply & Sewage/Drainage - sewerage components	07.04
07.05 - Water Supply & Sewage/Sanitary applications	07.05
07.06 - Water Supply & Sewage/Flood abatement equipment	07.06
08.01 - Heating & Ventilation/Heating systems	08.01
08.02 - Heating & Ventilation/Components for heating systems including chimneys	08.02
08.03 - Heating & Ventilation/Ventilation systems	08.03
08.04 - Heating & Ventilation/Components for ventilation systems	08.04
08.05 - Heating & Ventilation/Air-conditioning Systems	08.05
08.06 - Heating & Ventilation/Compressed air and other fluid systems	08.06
09.01 - Electric Installations/Sensors	09.01
09.02 - Electric Installations/Components of electricity supply networks	09.02
10.01 – Gas Installations/Gas supply systems	10.01
11.01 - Fire Protection/Steel structures	11.01
11.02 - Fire Protection/Fire resistant doors	11.02
11.03 - Fire Protection/Fire detection	11.03
11.04 - Fire Protection/Penetration sealing systems	11.04
11.05 - Fire Protection/Sealing of joints, penetrations, fire doors	11.05
11.06 - Fire Protection/Fire protection products	11.06
11.07 - Fire Protection/Special jointing and closure systems	11.07
11.08 - Fire Protection/Fire dampers	11.08
11.09 - Fire Protection/Service ducts and shafts	11.09
12.01 - Other Building Material/Thermal insulation products	12.01
12.02 - Other Building Material/Special covering products	12.02
